6 INTERVIEW PREP

Prep for interviews and make updates to application materials if needed

Attend interview practice sessions, take turns practicing with friends, and use resources like LeetCode or HackerRank

7 DAY OFF

Rest!! Self care is important for students who are also job seekers

Each day you should spend time working on your search.

- Mix & match 1-2 tiles a day
- To avoid burnout, take your rest day! Opportunities are added throughout the year.
